COMPANY PROFILE

Building Tomorrow, Today

We deliver complete infrastructure and steel building solutions with a commitment to quality, innovation, and customer satisfaction.

PRE-ENGINEERED BUILDINGS (PEB)
Engineered for strength.
Built for the future.

INDUSTRIAL SHEDS
Reliable. Versatile.
Built to Perform.

QUALITY MATERIALS
Built to last.

EXPERT ENGINEERING
Smart design.
Strong foundations.

ADVANCED MANUFACTURING
Precision-built.
High standards.

ON-TIME DELIVERY
Timely execution.
Every time.

KAVYA

VISION, MISSION & VALUES

Our Commitment. Our Promise.

OUR VISION

To become one of India's most trusted and preferred infrastructure development and steel building solution providers through innovation, quality, and customer-centric services.

OUR MISSION

To deliver world-class infrastructure and construction solutions that exceed customer expectations while maintaining the highest standards of safety, quality, and sustainability.

OUR VALUES

- Integrity in Everything We Do
- Commitment to Quality
- Focus on Innovation
- Respect for People
- Safety First Culture
- Sustainable Growth

OUR CORE VALUES IN ACTION

QUALITY ASSURANCE
We deliver superior quality in every project through strict standards and continuous checks.

TEAMWORK
Our strength lies in our people. We collaborate, support, and grow together.

INNOVATION
We embrace modern technology and creative solutions to build a better tomorrow.

CUSTOMER FOCUS
Customer satisfaction is at the heart of everything we plan, build and deliver.

SAFETY & RESPONSIBILITY
We prioritize safety and take responsibility for people, projects and the environment.

SUSTAINABILITY
We are committed to sustainable practices that create value for future generations.

WHY CHOOSE US

At **JAI KAPEES INFRACON PRIVATE LIMITED,** we combine expertise, innovation, and commitment to deliver infrastructure and steel building solutions that stand the test of time.

Your Vision. Our Expertise. Proven Results.

END-TO-END PROJECT EXECUTION
From concept to completion, we provide complete solutions with seamless project execution.

EXPERT ENGINEERING TEAM
Our skilled professionals bring deep industry expertise and innovative engineering to every project.

CUSTOMIZED DESIGN SOLUTIONS
We deliver tailor-made designs that meet your specific requirements and operational needs.

ADVANCED CONSTRUCTION TECHNOLOGY
We use modern technology and advanced equipment to ensure precision and efficiency.

SUPERIOR QUALITY MATERIALS
We use high-quality materials that ensure durability, strength, and long-term performance.

TIMELY PROJECT DELIVERY
We value your time and ensure on-time completion without compromising on quality.

COST-EFFECTIVE SOLUTIONS
Our solutions are designed to provide maximum value with optimized cost efficiency.

STRICT SAFETY STANDARDS
Safety is our priority. We follow international safety standards at every stage of construction.

PROFESSIONAL PROJECT MANAGEMENT
Our structured planning, monitoring, and coordination ensure smooth and successful delivery.

CUSTOMER-FOCUSED APPROACH
We believe in building strong relationships through transparency, trust, and customer satisfaction.

> We are committed to delivering reliable, durable, and cost-effective infrastructure and steel building solutions that empower your business to grow and succeed.

KAVYA
Complete Roofing Solutions

JAI KAPEES INFRACON
PRIVATE LIMITED

BUILDING INFRASTRUCTURE.
DELIVERING EXCELLENCE.

PRE-ENGINEERED BUILDINGS (PEB)

Complete PEB Solutions

Pre-Engineered Buildings represent the future of modern construction. At **JAI KAPEES INFRACON PRIVATE LIMITED**, we provide complete PEB solutions designed to deliver strength, speed, flexibility, and cost efficiency.

Our PEB systems are engineered using advanced design software and manufactured with precision to ensure maximum performance and long-term durability.

BENEFITS OF PEB STRUCTURES

FASTER CONSTRUCTION
Significantly reduces construction time.

REDUCED PROJECT COST
Optimized material usage and efficient design.

LARGE CLEAR SPAN STRUCTURES
Wide column-free spaces for maximum utilization.

SUPERIOR STRUCTURAL STRENGTH
Engineered for high wind, seismic, and live loads.

FLEXIBLE EXPANSION POSSIBILITIES
Future-ready designs that allow easy expansion.

LOW MAINTENANCE REQUIREMENTS
Durable materials ensure minimal maintenance and long life.

SUSTAINABLE CONSTRUCTION SOLUTION
Environment-friendly and 100% recyclable materials.

PEB APPLICATIONS

- Manufacturing Plants
- Industrial Facilities
- Warehouses
- Logistics Parks
- Distribution Centers
- Cold Storage Buildings
- Commercial Complexes
- Aircraft Hangars
- Agricultural Buildings
- Institutional Buildings
- Showrooms

OUR PEB SOLUTIONS INCLUDE

- Conceptual Design & Engineering
- Detailing & 3D Modeling
- Manufacturing & Quality Control
- Supply & Logistics Support
- Erection & Installation Services
- After-Sales Support & Maintenance

JAI KAPEES INFRACON PRIVATE LIMITED

BUILDING INFRASTRUCTURE.
DELIVERING EXCELLENCE.

STRUCTURAL STEEL SOLUTIONS

Strength that Supports Growth

We manufacture and supply high-quality structural steel components that form the backbone of modern industrial and infrastructure projects. Engineered for precision, built for strength, and designed for long-term performance.

OUR STRUCTURAL STEEL PRODUCTS

C PURLINS

High-strength C Purlins designed for superior load capacity and structural performance.

Z PURLINS

Precision-engineered Z Purlins for roof and wall systems with excellent durability.

STRUCTURAL STEEL SECTIONS

Wide range of structural steel sections for various industrial and commercial applications.

DECK SHEETS

High-quality deck sheets for strong flooring support and composite applications.

STEEL TRUSSES

Custom-designed steel trusses for large span structures and maximum stability.

FABRICATED COMPONENTS

Precision-fabricated components tailored to project specifications.

BENEFITS OF STRUCTURAL STEEL

HIGH STRENGTH

Withstands heavy loads and extreme conditions.

DURABILITY

Long-lasting performance with low maintenance.

DIMENSIONAL ACCURACY

Precision manufacturing for perfect fit and alignment.

CORROSION RESISTANCE

Advanced coatings for enhanced protection.

FAST INSTALLATION

Pre-engineered components for quick and easy erection.

HIGH LOAD CAPACITY

Superior load-bearing capacity for all applications.

INFRASTRUCTURE PROJECTS

Engineering Infrastructure for the Future

JAI KAPEES INFRACON PRIVATE LIMITED undertakes comprehensive infrastructure development projects across multiple sectors. Our experienced team ensures successful project execution through efficient planning, technical expertise, quality management, and timely delivery.

OUR SERVICES

Industrial Infrastructure Development
End-to-end solutions for industrial infrastructure projects.

Commercial Building Construction
Modern and sustainable commercial building construction.

Factory Building Projects
Custom-built factories with efficient design and high functionality.

Site Development Works
Complete site preparation and development services.

Structural Steel Construction
High-quality steel structures for industrial and commercial use.

Engineering & Fabrication Services
Precision engineering and fabrication with quality assurance.

Warehouse Development
Spacious and efficient warehouse infrastructure.

Institutional Infrastructure
Infrastructure for educational, healthcare, and government sectors.

Industrial Expansion Projects
Scalable solutions for capacity expansion and growth.

Turnkey Project Execution
Complete turnkey solutions from planning to handover.

KEY ADVANTAGES

PROFESSIONAL MANAGEMENT
Expert planning and execution at every stage.

HIGH SAFETY STANDARDS
Strict adherence to safety protocols and regulations.

QUALITY ASSURANCE
Robust quality control measures for lasting results.

ADVANCED METHODS
Utilizing modern technology for superior outcomes.

RESOURCE OPTIMIZATION
Efficient utilization of resources for maximum productivity.

TIMELY COMPLETION
Committed to delivering projects within schedule and budget.

Engineering Excellence.
Building the Future.

KAVYA
Complete Roofing Solutions

JAI KAPEES INFRACON
PRIVATE LIMITED

BUILDING INFRASTRUCTURE.
DELIVERING EXCELLENCE.

ROOFING SOLUTIONS

Premium Roofing Systems

We provide advanced roofing systems designed to offer superior protection, durability, and aesthetic appeal for all types of industrial, commercial, and infrastructure projects.

OUR ROOFING PRODUCTS

COLOR COATED ROOFING SHEETS

Durable, weather resistant & available in multiple colors.

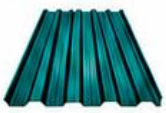

GALVALUME ROOFING SHEETS

High corrosion resistance with long life.

GALVANIZED ROOFING SHEETS

Zinc-coated for durability & superior weather resistance.

INDUSTRIAL ROOFING SHEETS

Heavy-duty sheets for industrial and large-span buildings.

DECK SHEETS

Strong and reliable sheets for flooring support and structural use.

WALL CLADDING SYSTEMS

Aesthetic and durable solutions for walls and facades.

INSULATED ROOFING SYSTEMS

Energy-efficient systems with thermal insulation for better comfort.

FEATURES & ADVANTAGES

- **Corrosion Resistant** – Advanced coatings provide excellent rust and corrosion protection.
- **Heat Reflective** – Reduces heat absorption and improves indoor comfort.
- **Leak-Proof Performance** – Engineered for enhanced water tightness and leak protection.
- **Low Maintenance** – Requires minimal maintenance for cost-effective operations.
- **Easy Installation** – Designed for quick and hassle-free installation, saving time and cost.

APPLICATIONS

- INDUSTRIAL BUILDINGS
- WAREHOUSES
- FACTORY SHEDS
- LOGISTICS PARKS
- COMMERCIAL COMPLEXES
- COLD STORAGE FACILITIES
- AGRICULTURAL BUILDINGS

COMPLETE RANGE OF INFRASTRUCTURE & INDUSTRIAL BUILDING PRODUCTS

SUPPLYING ACROSS INDIA

POLYCARBONATE SHEETS (CORRUGATED & MULTIWALL)

- High light transmission
- UV protected
- Impact resistant
- Lightweight & durable
- Energy efficient

Skylights | Canopies | Walkways

PVC & UPVC ROOFING SHEETS

- Corrosion resistant
- Chemical resistant
- Heat resistant
- Long life & maintenance free
- Excellent weather resistance

Factories | Warehouses | Farm Buildings

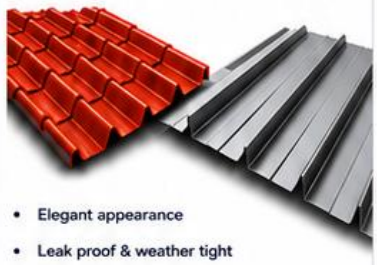

FRP FIBER SHEETS

- High strength & durability
- Corrosion & impact resistant
- Light in weight
- Excellent chemical resistance
- Available in translucent sheets

Sheds | Industries | Poultry Farms

TILE PROFILE & STANDING SEAM ROOFING

- Elegant appearance
- Leak proof & weather tight
- High wind resistance
- Concealed fasteners
- Long span capability

Villas | Resorts | Commercial Buildings

MS & GI HOLLOW PIPES

- MS & GI Square Pipes
- Rectangular Tubes
- Circular Pipes
- Precision engineered
- High strength & durability

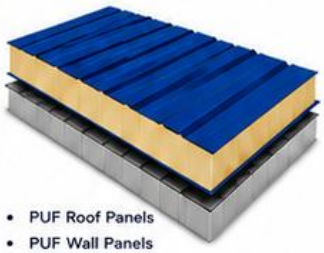

THERMAL INSULATION

- Glass Wool
- Rock Wool
- XLPE Insulation
- Nitrile Rubber Insulation
- Thermal & noise control
- Energy saving

Warehouses | HVAC | Cold Storage

SANDWICH & PUF PANELS

- PUF Roof Panels
- PUF Wall Panels
- Cold Room Panels
- Clean Room Panels
- High thermal efficiency
- Fast installation

Cold Storage | Pharma Units | Clean Rooms

TRUSSLESS ROOFING SYSTEMS

- No internal columns
- Large clear span
- Cost effective
- Fast installation
- Self-supported roofing

Warehouses | Hangars | Sports Arenas

ROOFING INSTALLATION

EXPERT INSTALLATION
Skilled workforce ensures precise and safe installation.

QUALITY WORKMANSHIP
Attention to detail for long-lasting performance.

TIMELY COMPLETION
Efficient execution to meet project deadlines without compromise.

SAFETY FIRST
Strict safety protocols followed at every project site.

FEATURES & ADVANTAGES

- **Corrosion Resistant** — Advanced coatings provide excellent rust and corrosion protection.
- **Heat Reflective** — Reduces heat absorption and improves indoor comfort.
- **Leak-Proof Performance** — Engineered for enhanced water tightness and leak protection.
- **Weather Resistant** — Withstandd extreme weather conditions for long-term durability.
- **Long Service Life** — High-quality materials ensure extended life and reliable performance.
- **Low Maintenance** — Requires minimal maintenance for cost-effective operations.
- **Lightweight Design** — Easy to handle, transport, and install with structural efficiency.
- **Easy Installation** — Designed for quick and hassle-free installation, saving time and cost.

COMPLETE RANGE OF INFRASTRUCTURE & INDUSTRIAL BUILDING PRODUCTS

SUPPLYING ACROSS INDIA

SELF-DRILLING FASTENERS

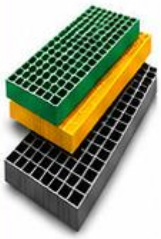

- Self drilling screws
- Stitching screws
- EPDM washers
- High pull-out strength
- Corrosion resistant

Roofing | Cladding | Structures

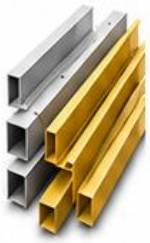

OUR EXTENSIVE FRP, DUCT & STRUCTURAL RANGE

FRP GRATINGS

- Molded Gratings
- Pultruded Gratings
- High load capacity

FRP PROFILES

- Channels
- Angles
- Beams
- Tubes

FRP STRUCTURES

- Platforms
- Walkways
- Handrails
- Ladders

FRP REBARS

- Corrosion free
- Light in weight
- High tensile strength
- 80-100 years life

TENSILE FABRIC STRUCTURES

- Aesthetic & modern design
- High durability
- Weather resistant
- Large clear spans
- Low maintenance

Stadiums | Walkways | Canopies

TECHNICAL SPECIFICATIONS

ROOFING SHEETS

Thickness	0.30mm – 0.80mm
Effective Width	840mm – 1070mm
Coating	AZ70 / AZ150 / Z200 / Z275
Paint System	SMP / PVDF / PE / HDP
Tensile Strength	550 – 650 MPa

STEEL PIPES

Standard	IS 1239 / IS 1161
Grade	E250 / E350 / E450
Yield Strength	250 – 450 MPa
Tensile Strength	410 – 570 MPa
End Finish	Plain / Beveled

SANDWICH / PUF PANELS

Density	40 ± 2 kg/m³
Thickness	30mm – 150mm
Thermal Conductivity	0.022 W/mK
Fire Rating	Class B / Class A
Core Material	PUF / PIR

QUALITY STANDARDS & CERTIFICATIONS

IS Standards | ASTM Standards | AISC Standards

ISO 9001 – Quality Management
ISO 14001 – Environment Management
ISO 45001 – Occupational Health & Safety

INDUSTRIAL ACCESSORIES

Small Components. Big Impact.

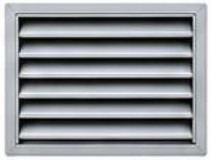

Our high-quality industrial accessories enhance performance, durability, and functionaility of your building. Engineered for perfect fit and finish, these components ensure long-term protection and efficient operation.

OUR INDUSTRIAL ACCESSORIES RANGE

TURBO VENTIBATORS
- Enhances airflow & ventilation
- Reduces heat & humidity
- Durable & maintenance free

LOUVERS
- Provides natural ventilation
- Keeps out rain, dust & debris
- Corrosion resistant finish

GUTTERS
- Efficient water drainage
- Prevents leakage & foundation damage
- High strength & long life

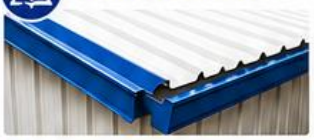

DOWNSPOUTS
- Directs rainwater safely
- Strong & weather resistant
- Easy to install & maintain

RIDGE FLASHINGS

- Seals roof ridges effectively
- Prevents water ingress
- Weather resistant & durable

EAVE FLASHINGS

- Protects roof edges
- Prevents seepage & damage
- Enhances building aesthetics

WALL FLASHINGS

- Prevents water penetration
- Strong & durable
- Corrosion resistant

SKYLIGHT SHEETS

- Allows natural daylight
- Reduces electricity consumption
- Impact resistant & durable

HIGH DURABILITY
Built to withstand harsh weather and environment.

CORROSION RESISTANT
Premium quality coatings for long life.

EASY INSTALLATION
Precision engineered for quick and hassle-free installation.

LOW MAINTENANCE
Designed for minimum upkeep and maximum life.

COST EFFECTIVE
Improves building efficiency and reduces costs.

ENHANCED PERFORMANCE
Improves ventilation, water management and energy efficiency.

INDUSTRIES WE SERVE

We deliver innovative, reliable, and cost-effective infrastructure and roofing solutions tailored to the unique needs of diverse industries.

MANUFACTURING

We build high-performance facilities for diverse manufacturing operations that demand strength, precision, and efficiency.

- Production Plants
- Assembly Units
- Heavy Engineering
- Food & Beverages

WAREHOUSING & LOGISTICS

Our pre-engineered buildings are ideal for modern logistics and warehousing needs with optimized space and faster tunnaround.

- Warehouses
- Distribution Centers
- Cold Storage Facilities
- Logistics Parks

PHARMACEUTICAL

We construct infrastructure that meets stringent quality and safety standards for the pharma and life science industry.

- Pharma Manufacturing
- API & Bulk Drug Units
- Research & Development
- Clean Room Facilities

AGRICULTURE

Durable and cost-effective structures to support modern agricultural practices and agri-business operations.

- Agricultural Sheds
- Grain Storage Units
- Dairy & Poultry Farms
- Agro Processing Units

OUR COMMITMENT ACROSS INDUSTRIES

SAFE & RELIABLE
Structures built with high safety standards and quality materials.

CUSTOMIZED SOLUTIONS
Tailor-made designs to meet industry-specific requirements.

ON-TIME DELIVERY
Efficient planning and execution to ensure timely completion.

COST-EFFECTIVE
Smart engineering solutions that optimize cost and performance.

SUSTAINABLE
Environment-friendly building practices for a better tomorrow.

OTHER INDUSTRIES WE SUPPORT

RETAIL & WHOLESALE | COMMERCIAL COMPLEXES | EDUCATIONAL INSTITUTIONS | HEALTHCARE FACILITIES | AIRPORT & TRANSPORT | GOVERNMENT & PUBLIC SECTOR

JAI KAPEES INFRACON PRIVATE LIMITED

BUILDING INFRASTRUCTURE.
DELIVERING EXCELLENCE.

QUALITY ASSURANCE

Building Trust. Delivering Excellence.

We are committed to delivering high-quality infrastructure through stringent quality control, advanced engineering, and a culture of safety at every stage of the project.

- **QUALITY** IN EVERY DETAIL
- **SAFETY** IN EVERY ACTION
- **STRENGTH** IN EVERY STRUCTURE
- **TRUST** IN EVERY RELATIONSHIP

OUR QUALITY PROCESS

REQUIREMENT ANALYSIS
Understand project requirements and applicable standards.

ENGINEERING & DESIGN
Precision engineering with compliance to codes and specifications.

MATERIAL VERIFICATION
Raw material tested for verified quality and traceability.

MANUFACTURING QUALITY CONTROL
In-process inspections at every stage of fabrication and production.

INSPECTION & TESTING
Dimensional checks, NDT, and lab testing to ensure quality.

FINAL VERIFICATION & APPROVAL
Final inspection and documentation before delivery and erection.

SITE ERECTION SUPERVISION
On-site quality checks and supervision for error-free execution.

SAFETY FIRST, ALWAYS

- Strict adherence to safety standards and protocols
- Regular safety training and drills for all personnel
- Use of PPE and safety equipment at all times
- Continuous risk assessment and hazard control
- Zero compromise on safety at workplace

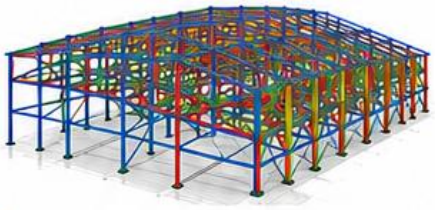

THINK SAFE. WORK SAFE. BE SAFE.

INSPECTION & TESTING

- Dimensional Inspection
- Welding Inspection (VT, MT, UT)
- Coating Thickness Measurement
- Material Testing (Tensile, Hardness, etc.)
- Bolt Torque & Assembly Inspection
- Documentation & Traceability

ENGINEERING EXCELLENCE

- Advanced 3D Modeling & Detailing (BIM)
- Optimized, Cost-Effective & Safe Designs
- Compliance with International Standards (ISO, IS, ASTM, AISC)
- Value Engineering for Better Performance
- Experienced Engineers & Technical Experts

WE FOLLOW INTERNATIONAL STANDARDS
